

CALL FOR EXPRESSION OF INTEREST (EOI) MEDIA FOR CLIMATE ACTION SEASON 3

A. INVITATION AND BACKGROUND

Climate Action Network Tanzania (CAN Tanzania), in partnership with the Media Council of Tanzania (MCT), and Tanzania Media Foundation (TMF), invites journalists across Tanzania to express their interest in participating in a climate change reporting training and mentoring programme scheduled to take place in the **first week of November 2026** and aimed at strengthening accurate, evidence-based, and solutions-focused coverage of climate change and environmental issues.

B. BENEFITS OF THE TRAINING

This 3-day training offers journalists an opportunity to strengthen their climate reporting through practical exercises, discussions with climate experts, and experience sharing with fellow journalists. Participants will gain useful knowledge and tools to explain climate issues clearly and show how they affect people's daily lives. The session will also provide space to develop story ideas, build professional networks, and join a network of climate reporters committed to continued learning and collaboration beyond the training.

C. ELIGIBILITY AND QUALIFICATION REQUIREMENTS

To be eligible for consideration, applicants must meet the following minimum qualification requirements:

- 1) Demonstrated interest in climate reporting, with at least three (3) climate change or environmental media products published in 2024–2026.
- 2) Valid accreditation from the Journalist Accreditation Board (JAB).
- 3) A clear statement explaining why you want to attend the training and mentoring session.
- 4) Evidence of participation in relevant training, mentoring, or professional development.

D. APPLICATION PROCEDURES

Interested and qualified journalists are invited to complete the online application form using the link below. Applications must be submitted by **20 October 2026 (11:59 PM EAT)**
